Sweden's most international university

- Exchange students (individuals)
outgoing 1 000
incoming 1 800
- Non-exchange international students: 4 200
- Sweden's most popular university for Master's degrees
- 680 partner universities in 50 countries worldwide

Top reasons to choose Lund:

- » Consistently ranked as one of the world's top 100 universities (Times Higher Education, QS etc.)
- » Lund is home to 30 world-leading research and innovation environments which enables us to offer cutting-edge education and facilities
- » An international environment where 89 % of Swedes speak English
- » Strong research environments means many opportunities to pursue PhD level studies after Master's level
- » Sweden is one of the safest countries in the world and ranked the 3rd best country to live in (Newsweek, August 2010). It is also ranked as the 2nd best country in the world when it comes to providing higher education (U21 ranking 2012)
- » Lund is considered the best student city in Sweden and is the #1 choice for international students

Did you know this about Sweden?

- » Third largest country in Europe in terms of size, but only 9 million inhabitants
- » The world's most innovative country (Innovation capacity index 2009, 1/131) and the world's most creative country 2011 (ranked by Business Insider)
- » The world's most democratic country (Global democracy index 2007, 1/167)
- » Highly globalised and English-speaking population
- » Peace and stability since 1814
- » Home of the Nobel Prize

Why study in Sweden?

- » Ranked as the 2nd best country in the world when it comes to providing higher education (U21 ranking 2012)
- » An academic environment nurturing innovation
- » Encourages investigative research and independent thinking
- » Students are active and expected to express their own opinion
- » Relationship between teachers and students are informal
- » Focus on teamwork and preparation for future professional life
